

Investing for Success

Under this agreement for 2018
Beaudesert State High School will receive

\$576,585*

This funding will be used to

1. Introduce and implement *Positive Behaviour for Learning* throughout the school.
2. Increase student attendance to 92%.
3. Consolidate a 'coaching culture' within the school through introduction of a Professional Growth Framework.
4. Provide comprehensive and well-structured support services to students across all year levels.
5. Increase Queensland Certificate of Education attainment levels to 97%.
6. Target improvement in Student Relative Gain in literacy and numeracy to meet or exceed SQSS.
7. Maintain an achievement rate of 85% (A-C) in all subjects.

Our initiatives include

- Building staff capability with respect to evidence-proven and research-validated practices that are enacted successfully in every classroom.
- Embedding the use of **SCORE** (whole school reading framework).
- Continuing our successful Tier 2 and 3 literacy intervention strategies for identified students.
- Introducing an U2B booster program, *IMPACT: Just Write*, with selected Year 7 students.
- Implementing a range of strategies at school-wide and individual levels to improve student attendance.
- Providing alternative education program/s for those students identified as at-risk of disengaging from school.
- Rigorously monitoring eligibility of Year 12 students for the QCE.

Our school will improve student outcomes by

- Using high-impact teaching strategies to:
 - extend students in the upper two bands
 - ensure all students progress in their learning
- Providing focussed and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards.
 - Focussed Literacy Intervention classes in Years 7, 8 and 9
 - Focussed Numeracy Intervention classes in Years 7, 8 and 8
 - *Multi-Lit* (1-on-1 support) for identified students in Years 7 to 9

- Increasing teachers' repertoire of high-impact teaching strategies through:
 - *Positive Behaviour for Learning*
 - *Visible Learning*
 - *SCORE (The Coach Approach to Demand Reading)*
 - *YuMi Deadly Maths*
 - *The Tactical Teaching of Writing*
- Providing staff with quality professional learning activities including coaching, mentoring, networking, and knowledge building opportunities to build their capacity/capability in identified key priority areas.
- Implementing the *BSHS Attendance Strategy*, incorporating rigorous identification, intervention, monitoring and review stages.
- Continuing on a sustained trajectory of improvement with respect to QCE attainment.

Summary of anticipated expenditure:

Funding for programs targeted at improving Reading and Numeracy (example appointing additional <i>STLaN</i> , wages for <i>Multi-Lit</i> and <i>FLI & LNS</i> teacher aides, involvement in YMD Maths, and purchase of physical resources to enhance the learning programs).	\$432,205
Funding for programs targeted at improving attendance, engagement and QCE attainment.	\$88,040
Funding for programs targeted at building capacity of teachers and instructional leaders (exanoke coaching, mentoring, professional development, teacher release).	\$56,340
