

# BEAUDESERT STATE HIGH SCHOOL

## STUDENT COMMITMENT AGREEMENT

Our school provides many opportunities for learning in a safe and supportive environment. This is achieved through the communication and understanding of a clear set of expectations that guide and support student academic effort and behaviour. These expectations are underpinned by the values identified by our community as vital for learning at Beautesert State High School. They additionally support the idea that the well-being of every student is essential to learning, and as such forms the pillars of these expectations. The student behaviour expectations at Beautesert State High School follow the basic 3R's: Respectful, Responsible and Ready. Therefore students are expected to be:

### **Respectful**

- Be respectful to yourself, others and the environment.
- Be polite and courteous both in class, during breaks and travelling to and from school.
- Use technology appropriately.

### **Responsible**

- Act responsibly in all settings.
- Accept responsibility for your actions.
- Act to maintain a safe and supportive learning environment.
- Wear your uniform correctly.
- Use your student diary appropriately.
- Use all equipment carefully and appropriately.

### **Ready**

- Have the correct equipment.
- Attend classes and be on time.
- Follow instructions.

The complete and detailed document outlining Student Behaviour Expectations is available on the school website and is summarised in student diaries. In becoming familiar with these expectations, students and parents are more able to support the good standing that Beautesert State High School continues to enjoy in our community. In signing this agreement, you confirm your support of these expectations and the necessity, at times, to address behaviour that does not meet our expectations.
