

# BEAUDESERT STATE HIGH SCHOOL

## School Canteen

### CANTEEN VOLUNTEER FORM

The canteen is the biggest single fundraiser for the school. We need at least three (3) volunteer parent helpers each day to minimise cost and maximise profits. It runs extremely efficiently as it has a number of full-time paid staff who keep things running smoothly. It runs so efficiently there is time for coffee and lunch and there is always a laugh and a chat. It's a great way to meet other parents and get a feel for what's happening in the school community. Some people team up with a friend and use the time to meet new parents. Without continued help from committed parents we will need to employ more paid staff and have to raise prices substantially to cover costs. Please volunteer whatever time you can on the days that suit you best.

Canteen hours are 9:00am to 2:00pm

Contact: Helena – 5542 9119
